

EASTERN HANCOCK ELEMENTARY GIRLS BASKETBALL LEAGUE

Grades K-1 Introductory League

Grades 2-3 Intermediate League

Philosophy of League

The purpose of the EH basketball league is to allow all girls, from kindergarten through third grade, an opportunity to receive instruction in the fundamentals of basketball and exposure to game play. Our league will concentrate its efforts on fostering the work ethic and sportsmanship necessary to be highly competitive at the middle and high school levels. Most importantly, the elementary basketball league will provide a healthy extracurricular activity which will encourage school spirit for the elementary and enthusiasm for basketball at EH. Our goal is to develop a love for the game and to have fun. This is NOT a competitive league. **Please note, we will not honor coach requests.**

Dates: Practice will begin either Monday, November 7th (k-1) or November 9th (2-3) and every team will practice once per week. Beginning in December every team will practice once during the week and play a game on Saturday. First game is on December 3rd. The league will run through Saturday, February 18th.

Cost: The cost for the league is \$70 per player if you sign up by the deadline date. If you sign up after the deadline date, the cost is \$80. Two daughters may play for \$110, and three for \$150. If you have a hardship case, please contact Coach Doud to make other arrangements. It is \$1 for adults to enter games.
